Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, except for the following: U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed after June 30, 2003.

The present Information Disclosure Statement is being filed no later than three months from the application's filing date, and therefore no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant submits the following explanations:

1. The indication in the International Search Report of the degree of relevance found by the foreign patent office, the submission of an English language abstract and computer translation for JP 2000-016841 constitutes a concise statement of relevance of JP 2000-016841.

2. The disclosure on page 3 of the present specification and the indication in the International Search Report of the degree of relevance found by the foreign patent office, the submission of an English language abstract and computer translation for JP 2000-264632 constitutes a concise statement of relevance of JP 2000-264632.

3. The indication in the International Search Report of the degree of relevance found by the foreign patent office and the submission of an English language abstract for JP 2000-154046 constitutes a concise statement of relevance of JP 2000-154046.

4. The indication in the International Search Report of the degree of relevance found by the foreign patent office and the submission of an English language abstract for JP 2002-326846 constitutes a concise statement of relevance of JP 2002-326846.

5. The disclosure on page 3 of the present specification and the submission of an English language abstract for WO 01/25162 constitute concise statements of relevance of WO 01/25162.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
